

I would like to say a few words about K-LOVE in our area. K-LOVE has always had "positive and encouraging" music. You don't find that in a lot of radio stations. I really appreciate it when I go into a restaurant or store and they are playing K-LOVE. It lifts you up and gives you a reason to go back to those stores. K-LOVE has "been there" for so many people and a radio station that really cares about its listeners.
